THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

Office of the Deputy
for the Intelligence Community

25 November 1974

MEMORANDUM FOR : Director of Central Intelligence
SUBJECT : Survey of USIB Committees

1. The USIB Secretariat prepared the attached brief survey on the USIB Committee Chairmen and their staff support in response to your discussion on this subject with [] and your question as to whether it might be feasible to have the Chairmen assigned as an integral part of the ICS. The following is a gross breakdown of people engaged in direct support of the Committees (these figures do not include the actual Committee Members or any part of [] Ad Hoc Committee):

25X1

25X1

[] full-time professional employees;
full-time clerical employees; and
(about) part-time professional and
clerical employees.

[] full-time employees support COMIREX and the Watch Committee (NIC). [] points out that [] people, many from the line organizations of the Committee Chairmen, provide indirect part-time support to the Committees and USIB. Thus, it would be hard to envisage an EIC Chairman without OER, a JAEIC Chairman without NED, a GMAIC Chairman without OWI.

25X1

2. On balance I believe that the existing relationships of the Chairmen to their line organizations is preferable in most cases although selected shifts of some Chairmen to the ICS, particularly the HSC, may be appropriate in the future.

3. Overall, I think the system is working fairly well and can be steadily improved using the mechanisms you have already provided, e.g., LOI's and fitness reports for the Chairmen, regular meetings with the Committee Chairmen, and your memorandum establishing policy guidelines for the Chairmen and the D/DCI/IC.
